SCHEDULE

The bylaws of the College of Traditional Chinese Medicine Practitioners and Acupuncturists of British Columbia made under the authority of the *Health Professions Act* are amended as follows:

1. Section 19 (3) (b.1) is added:

19. (3) (b.1) reviewing programs proposed for inclusion in Schedule H, and

2. Section 19 (3) (c) (ii) is listed as (c) (iii) and

3. Section 19 (3) (c) (ii) is added:

19. (3) (c) (ii) approval of proposed programs, and

4. Schedule E, Part III is amended by striking out “Where the requirements below specify a minimum number of hours of clinical instruction, 50% or the minimum hours must take place in a clinic owned and operated by the program” and replacing with:

Institutions are required to directly supervise all clinical instruction of the training program, whether such instruction occurs in clinics owned and operated by the institutions themselves or in independent clinics engaged to provide clinical instruction for the training program.

Education and Examination Committee

19. (1) The education and examination committee is established consisting of at least 9 persons appointed by the board.
- (2) The education and examination committee must include at least 3 public representatives, at least 1 of whom must be an appointed board member.
- (3) The education and examination committee is responsible for
 - (a) determining eligibility to write examinations,
 - (b) reviewing the programs listed in Schedule H for compliance with Schedule E, and
 - (b.1) reviewing programs proposed for inclusion in Schedule H, and
 - (c) reviewing and making recommendations to the board regarding:
 - (i) approval of examinations, and
 - (ii) approval of proposed programs, and
 - (iii) the amendment of Schedule E and Schedule H.

Schedule E

Recognition Requirements for Education Programs

III. Student Clinical Activity

The program's student clinic and the program's clinical instruction must meet the requirements established by CTCMA to ensure the safe, effective and ethical treatment of the public.

Institutions are required to directly supervise all clinical instruction of the training program, whether such instruction occurs in clinics owned and operated by the institutions themselves or in independent clinics engaged to provide clinical instruction for the training program. For the initial 200 hours of supervised practice, the supervisor shall be physically present at all times during the diagnosis and treatment of the patient. For the remaining hours, the supervisor may be in close proximity to the location at which the patient is being treated.
