

Practice Support Program

Life-long learning.
Safe competent care.

Understanding the Practice Support Program Helping You To Be The Best You Can Be

Drs Brad Matthews and David Cane provided an informative update on our Practice Support Program, noting that, while a quality assurance program is a provincial government requirement, *our* PSP is a new approach. It's designed to support Registrants in their quest to be the best practitioners they can be by providing practice-building tools such as self-evaluation and peer mentorship, as well as the traditional continued learning. [Here is their presentation.](#)
